

Life is full of **firsts**. Take your **first step** in saving for college today.

The first day of college will be here before you know it. Save today to secure tomorrow with GET - Washington's 529 Prepaid College Tuition Plan.

Easy ways to save

GET makes it easy to save now for your child's future education. You can set up a monthly payment plan, send a check whenever you have extra money to contribute, or choose a combination of the two. Payroll deduction is also available to all Washington State employees.

State guarantee

Your account is guaranteed to increase at the same rate as college tuition, no matter how much it goes up in the future.

Choose from colleges nationwide

Your GET account can be used at public or private colleges, universities and technical schools anywhere in the country.

Flexible and affordable

You can save a set amount each month or simply add funds whenever you want. GET is flexible if your child's needs or family circumstances change.

Tax-free savings and withdrawals

Your account grows tax-free and can be withdrawn tax-free when used for qualified higher education expenses.
