

***** *Effective until 60 days after the 529 savings plan opens* *****

During the 2015 legislative session, Washington State lawmakers passed the College Affordability Program, which lowered tuition at Washington's public colleges and universities for the 2015-16 and 2016-17 academic years. Further, beginning in the 2017-18 academic year, annual tuition increases may be no more than the state's average annual growth rate in median hourly wage. These new tuition provisions affect some of the assumptions that the GET pricing and payout models have historically been based on.

Accordingly, the GET Committee has voted to allow all GET customers the opportunity to refund their GET accounts without program refund penalties or fees, until 60 days after the 529 savings plan opens. The Committee also voted to waive the two-year wait requirement that typically applies to all accounts before they can be refunded, until 60 days after the 529 savings plan opens. **IF YOU ARE CONSIDERING REQUESTING A REFUND, READ THE IMPORTANT REFUND POLICY UPDATES BELOW BEFORE COMPLETING THE REFUND/CANCELLATION REQUEST FORM:**

Refund details for customers who refund their account(s) before 60 days after the 529 savings plan opens:

- Account Owners who refund their account(s) before 60 days after the 529 savings plan opens will receive, at a minimum, the previous unit payout value of \$117.82 excluding rebased units.
- Account Owners who refund their account(s) and paid more than the previous unit payout value of \$117.82 will receive back the entire amount of their contributions. This includes customers with Custom Monthly plans who may have paid a unit price lower than the payout value of \$117.82, but effectively paid more than the payout value due to monthly financing charges.
- For Account Owners that have made a distribution from their account after August 1, 2017 (the date that rebasing occurred), all future refunds and distributions will be at the current payout value, and that customer will no longer be able to request a contribution refund for that account. This consideration affects only those Account Owners who have units purchased at prices higher than \$117.82. **If you have units that you paid more than \$117.82 for, we strongly suggest that you check the status of your account before using your units to pay for school.** More information on the rebase process can be found at www.get.wa.gov/rebase.
- The non-refundable enrollment fee and any previously incurred account fees (i.e. late payment fees and dishonored payment fees) will be deducted from all final refund amounts.
- To request a refund, you must complete a Refund/Cancellation Request form. This form is available at www.get.wa.gov/forms, or by calling 1.800.955.2318, or by writing GET at the address on the next page.
- Program refund fees and penalties, and the two-year wait requirement will be waived for all refund requests received before 60 days after the 529 savings plan opens.
- The earnings portion of any refund may still be subject to federal taxes, penalties and fees, payable to the IRS (typically any increased value is taxed as income, and an additional 10% penalty applies).
- A 1099-Q tax form will be sent to you that shows the principal and earnings portions of your refund. You may be required to report this information to the IRS.
- Customers must request a full refund. No partial refunds will be processed.
- To avoid a taxable event, you may deposit (rollover) your refund into another 529 plan within 60 days of the date your refund is processed. To compare various 529 plans, go to www.collegesavings.org. According to the IRS, 529 plan rollovers can only be made once every 12 months for the same beneficiary. If you wish to complete a direct rollover from GET, where GET sends the money directly to the other 529 plan on your behalf, you must complete the Outgoing Rollover Request form (available at www.get.wa.gov/forms) instead of the Refund/Cancellation Request form.
- **WE STRONGLY ADVISE THAT YOU CONSULT IRS PUBLICATION 970 AND A TAX ADVISOR ABOUT POTENTIAL TAX IMPLICATIONS BEFORE REQUESTING A REFUND. YOU SHOULD ALSO CONSULT YOUR LEGAL AND FINANCIAL ADVISORS BEFORE REQUESTING A REFUND.**
- It may take up to six weeks to process your refund from the time that GET receives your request.

General Refund Rules

- Only the Account Owner may request a refund. It is the responsibility of the Account Owner to fully understand all other account options in lieu of a refund, prior to requesting a refund. Account Owners have the following account options, in lieu of a refund (*Account Owners often exercise one of these options when it appears that a Student Beneficiary may not plan to use the funds in the GET Account, or if the Account Owner is experiencing a financial hardship*):
 - Students have up to ten years from their benefit use year to begin using their units. They have an additional ten years to finish using their units once the first account withdrawal is made.
 - The funds in the GET account can be transferred to another family member (out to first cousin) of the Student Beneficiary.
 - The GET Account Owner can change the Student Beneficiary named on the GET account to another family member (out to first cousin) of the Student Beneficiary.
 - Custom Monthly Plan Account Owners who are unable to continue making their monthly payments have the option to reduce the terms of their contract or convert their Custom Monthly account to a Lump Sum account.
 - The GET Account Owner may request reimbursement for any qualified higher education expenses paid out of pocket in the current calendar year.
- Account refunds may or may not be in the best long-term financial interest of the Account Owner, and it is the Account Owner's responsibility to determine their preferred choice.
- The Account Owner must submit an original (no copies or faxes) signed and notarized Refund/Cancellation Request form and supporting documentation (if required) to:

GET Program, PO Box 43450, Olympia, WA 98504-3450
- Refund checks are made payable to the Account Owner, unless the "Student Beneficiary" is indicated as the person to receive the refund. Making the refund payable to the Student Beneficiary may have different tax implications than making it payable to the Account Owner. **WE STRONGLY ADVISE YOU TO CONSULT IRS PUBLICATION 970 AND A TAX ADVISOR ABOUT POTENTIAL TAX AND PENALTY IMPLICATIONS.**
- On information and belief, the IRS assesses a 10% penalty for withdrawals not transferred to another 529 plan, or not used for qualified higher education expenses (non-qualified withdrawals), with a few exceptions. Additionally, the earnings portion of all refunds may be taxed as income. **WE STRONGLY ADVISE YOU TO CONSULT IRS PUBLICATION 970 AND A TAX ADVISOR ABOUT POTENTIAL TAX AND PENALTY IMPLICATIONS.**
- The Program will mail a 1099-Q each January following the year of distribution to the individual who received the refund. Please consult a tax advisor before requesting a refund to determine any federal income tax liability.
- If the Program denies a refund request, the Account Owner may submit a letter to the Program Director within 10 days after notification, asking for reconsideration. If the Director denies reconsideration, the Account Owner may submit a letter to the Committee Chair within 10 days after notification, asking for reconsideration. The Committee Chair will conduct a brief adjudicative proceeding on the merits of the request and render a final decision.
- **ACCOUNT OWNERS WITH ANY QUESTIONS ABOUT THE GET REFUND/CANCELLATION POLICY, OR ABOUT THEIR ACCOUNT OPTIONS IN LIEU OF A REFUND ARE STRONGLY ENCOURAGED TO CALL OR EMAIL THE GET CONTACT CENTER AT 1.800.955.2318 OR AT GETINFO@WSAC.WA.GOV BEFORE REQUESTING A REFUND.**
